

Though 2020 has been quite a difficult year for us, I am happy that each one from the AEES community has put the best foot forward to ensure that the student community undergoes the minimum hurdle. As we enter 2021 and one would like to let 2020 become a distant memory, we must all welcome the upcoming NEW YEAR and make it a happy one with new goals, in a 'neo-normal' scenario.

On the eve of the New Year, I extend my greetings and best wishes to all students, parents and colleagues of AEES, for safe, healthy, happy and fruitful times ahead.

S. Sarkar
Chairman, AEES
