Chairman

Dear Esteemed Colleagues of AEES,

On the occasion of Teachers' Day, I extend my heartfelt greetings and profound gratitude to each one of you who form the backbone of our educational journey. This day, celebrated in honour of the great teacher and philosopher Dr. Sarvepalli Radhakrishnan, is a reminder of the noble calling of teaching and its enduring impact on society.

With 30 schools under our banner, our strength lies in the collective wisdom, dedication, and passion of our teachers. It is through your tireless efforts that we are able to nurture young minds, instil in them values, and prepare them to face the challenges of tomorrow with courage and confidence.

It is with great pride that we announce that Smt Sonia Vikas Kapoor, Headmistress, AECS 2, Mumbai, has been awarded the National Award for Teachers' - 2025. AEES is extremely proud of this outstanding accomplishment. Let this inspire all our teachers to rise up, work hard, and aspire to achieve such coveted recognitions, thereby continuing to make AEES proud.

A Sanskrit Subhashita Shlok from Mahabharata (Udyoga Parva) says:

"आचार्याद् पादमादत्ते पादं शिष्यः स्वमेधया। पादं सब्रह्मचारिभ्यः पादं कालक्रमेण च॥"

"A student acquires one quarter of knowledge from the teacher, another quarter through self-effort, a quarter from fellow learners, and the rest with time and experience."

In today's world of rapid transformations—be it technological, social, or cultural—the role of a teacher has become even more critical. You are not only facilitators of knowledge but also mentors, guides, and role models who shape the character and destiny of students. While innovations in education, digital and technological advancements are welcome, it is your human touch, empathy, and inspiration that make true learning possible.

Teachers' Day is also an opportunity to reflect on our shared mission: to create an environment in every classroom that fosters curiosity, creativity, discipline, and compassion. Every lesson that you teach, every word of encouragement that you offer and every example that you set stays with a child for life. That is the true legacy of a teacher.

On behalf of the management and the entire academic community, I salute your unwavering commitment and selfless service. May you continue to inspire, guide, and illuminate the path of learners, strengthening the foundation of our nation through education.

Let us celebrate this day with renewed enthusiasm, pride, and a collective resolve to make AEC Schools centres of excellence and holistic growth.

With warm regards and best wishes,

(RANAJIT KUMAR)
