

Glimpses of Swachhata Pakhwada Celebrations

DAY 1 : 04-02-2026

Speech on swachhata was delivered by Tanvi Meena of class VII.

A thoughtful poem on importance of cleanliness was presented by Raj Meena of class V.

An enlightening address on Swachhata was given by the Principal Sir, instilling the values of hygiene, discipline, and environmental responsibility among students.

A solemn Swachhata Pledge was administered by principal sir to inculcate a sense of cleanliness and civic responsibility among students.

Students actively participated in a cleanliness drive and learned the disposed of the waste properly to maintain cleanliness in the school.

With great enthusiasm, students carried out a cleanliness drive by removing garbage from the playground and spreading the message of Swachhata.

DAY 2 : 05 FEBRUARY 2026

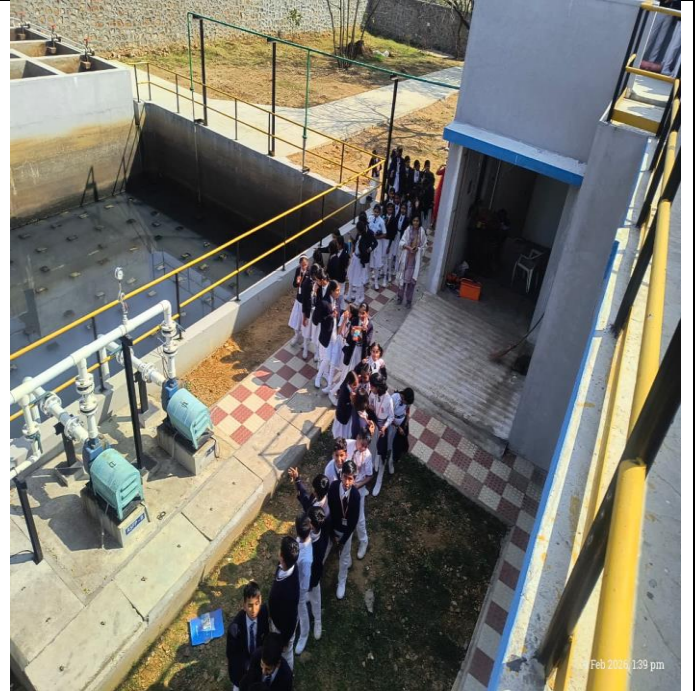

A vibrant drawing competition for students of class VI and VII was organised on the theme "My Clean School" or "hygiene is health" to creatively promote hygiene and cleanliness among students.

DAY 3: 06 FEBRUARY 2026

A slogan writing activity in the topic "Swachhta Hi Seva" was conducted for the students of class VIII to encourage them to express powerful messages on cleanliness and sanitation.

DAY 4: 09 FEBRUARY 2026

An educational visit to the Water Treatment Plant was organised to give students practical exposure to water purification and conservation.

DAY 5: 10 FEBRUARY 2026

A spirited Swachhta Rally along with a human chain was organised to spread awareness about cleanliness in the community.

DAY 6: 18 FEBRUARY 2026

A drawing competition for Classes I and II was held on the theme "My Clean School" to nurture creativity and drawing skills along with the thought of cleanliness.

DAY 7: 20 FEBRUARY 2026

An elocution competition was conducted for classes IV and V to enhance speaking skills of students and spread awareness about cleanliness and health.

A creative “Best Out of Waste” competition was conducted, inspiring students to transform waste materials into useful and decorative items.

DAY 8: 21 FEBRUARY 2026

Mr. Gaurav Wadhwa, an alumnus of Atomic Energy Central Schools Rawatbhata distributed prizes to all the winners.
