CLASS 8TH MATHS
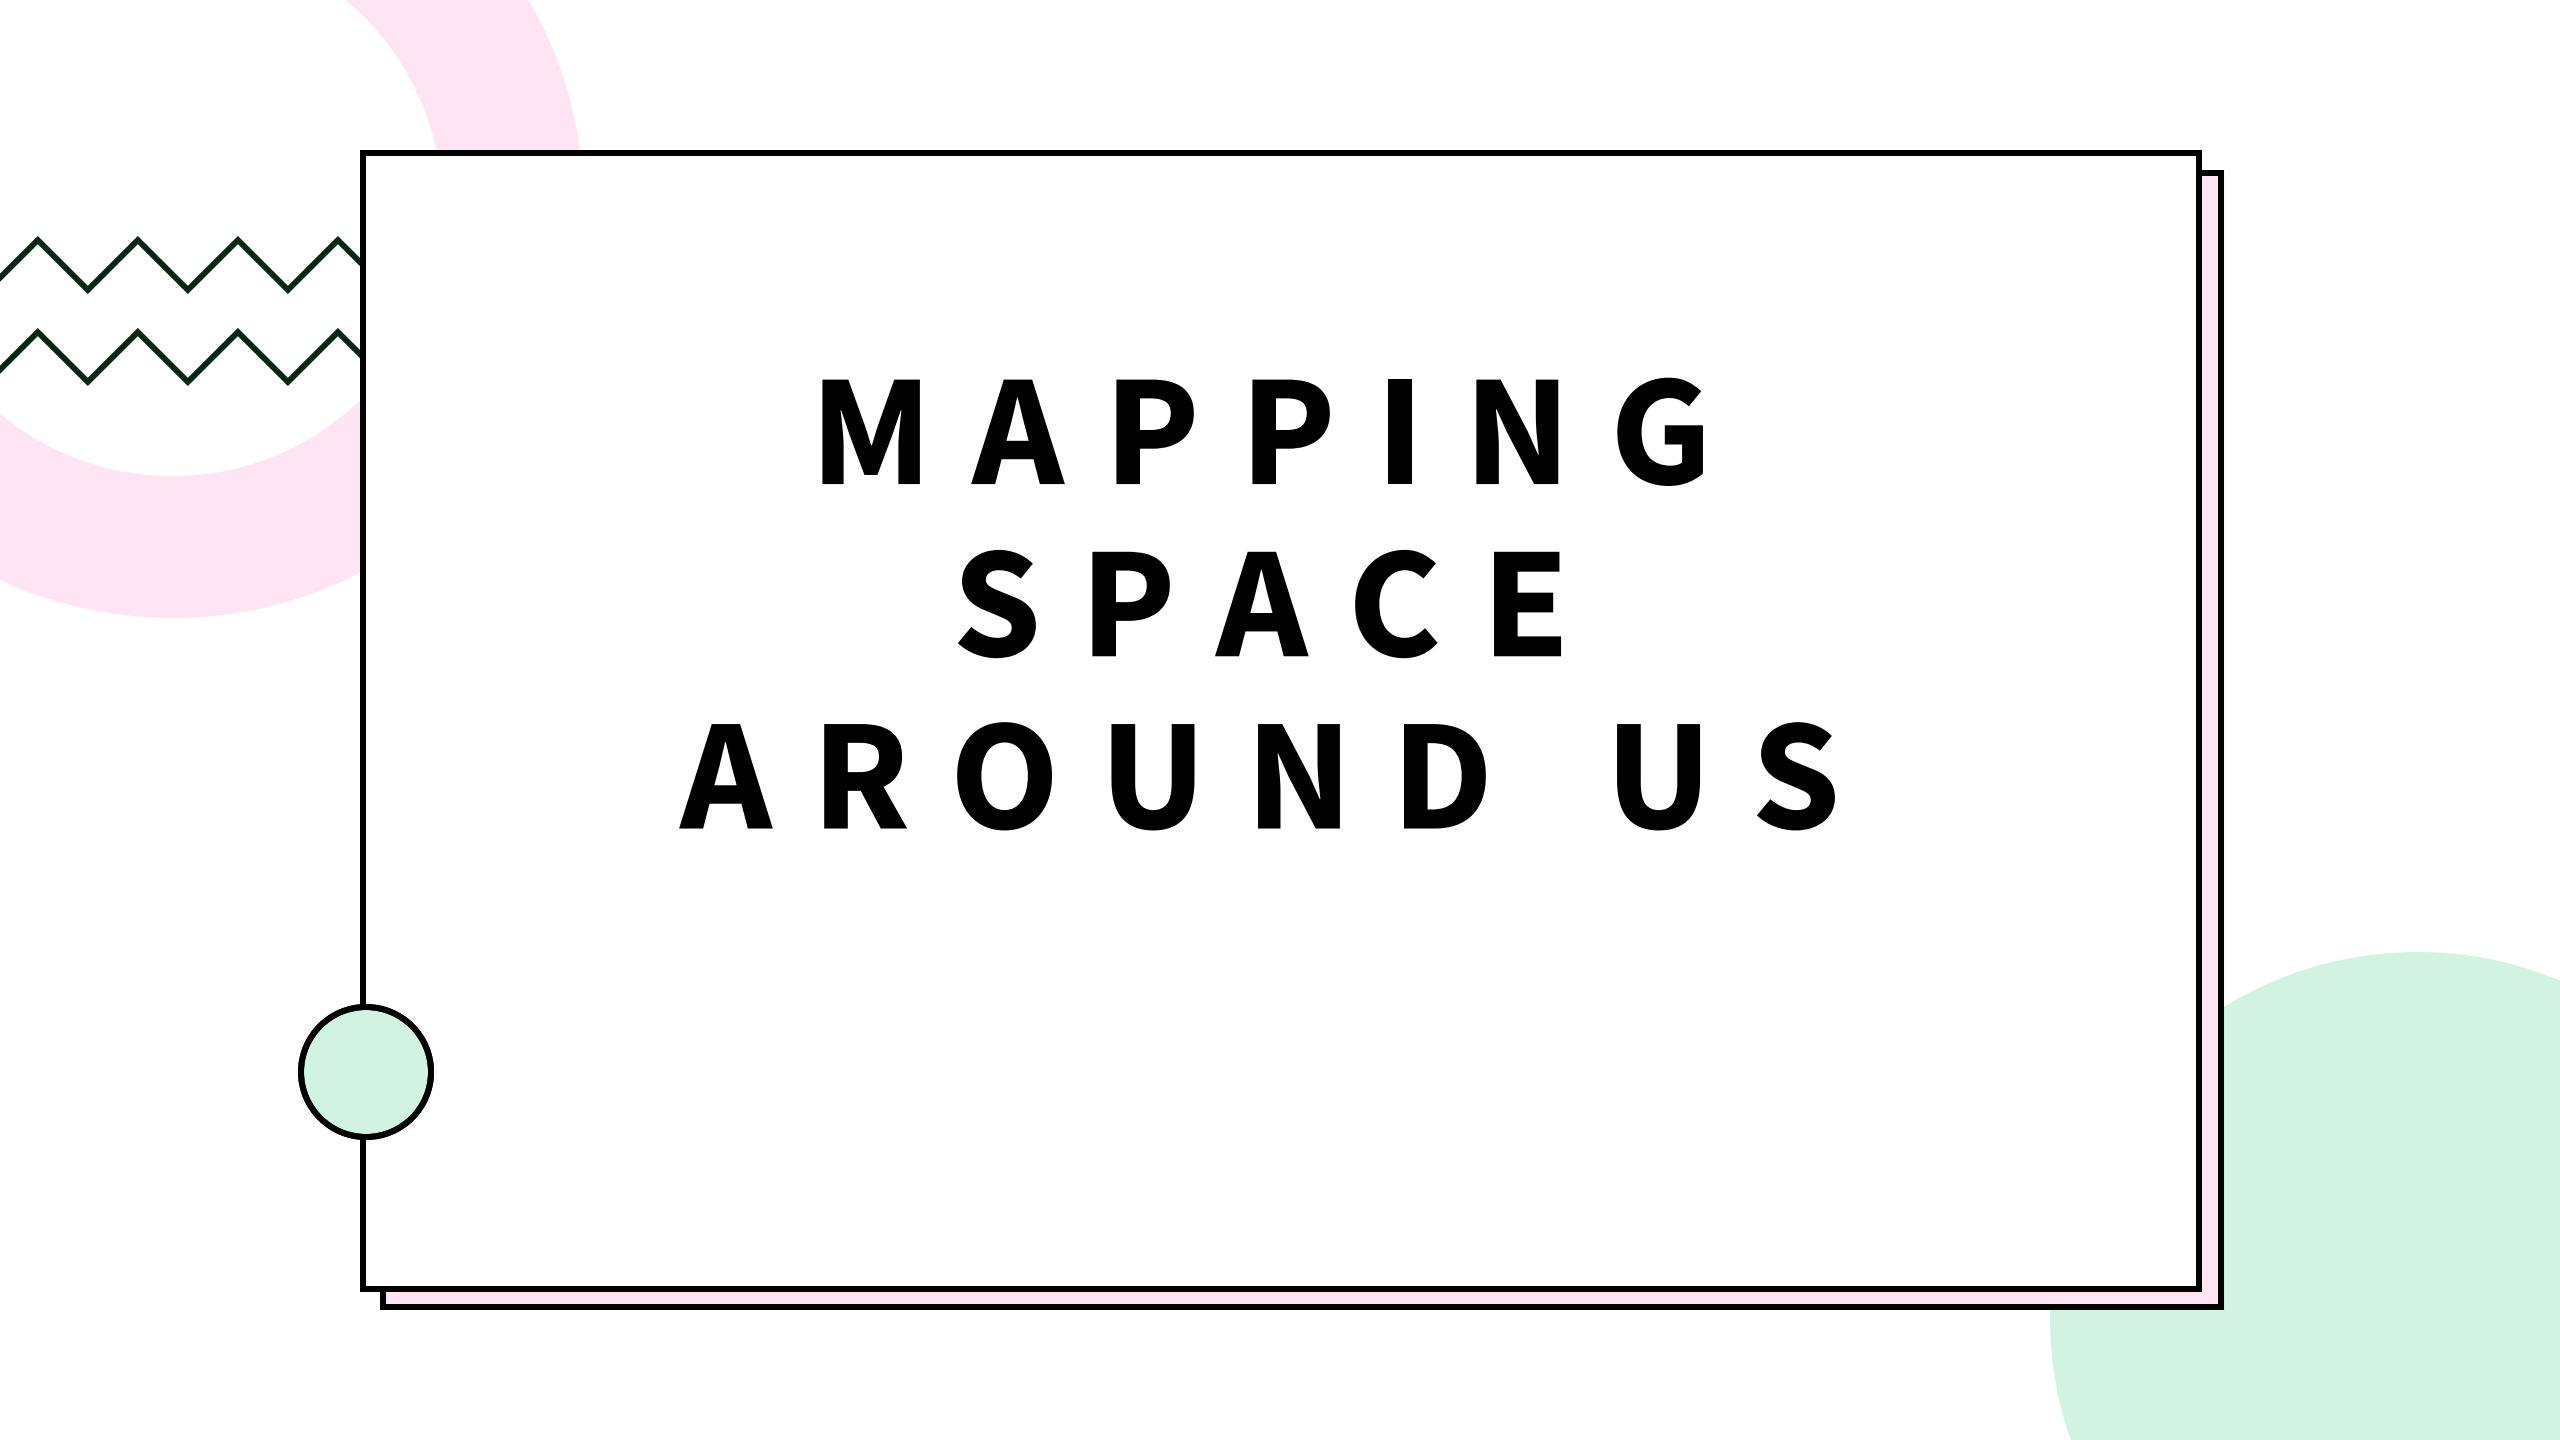

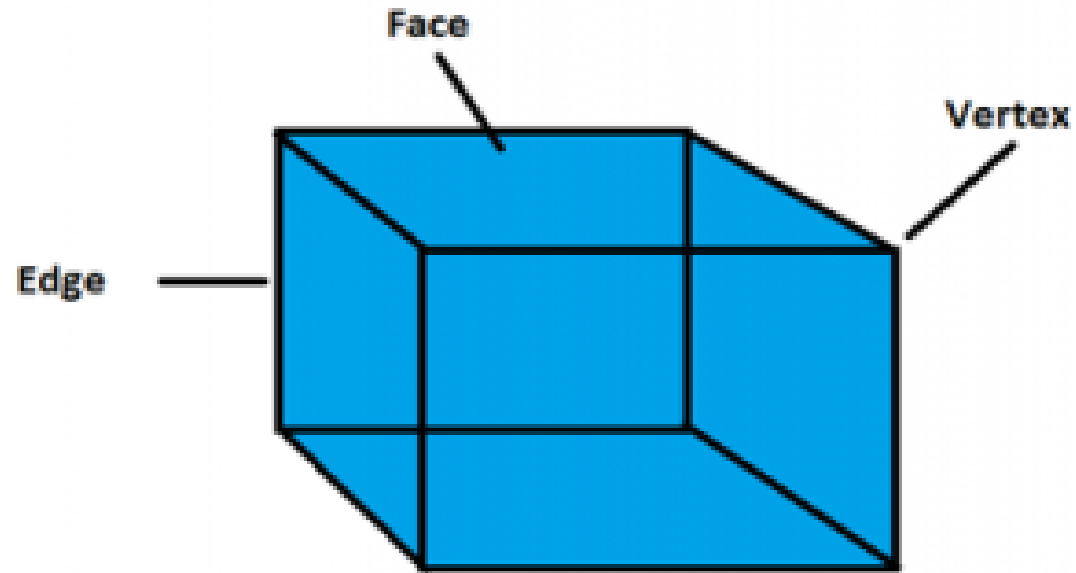

# VISUALISING SOLID SHAPES
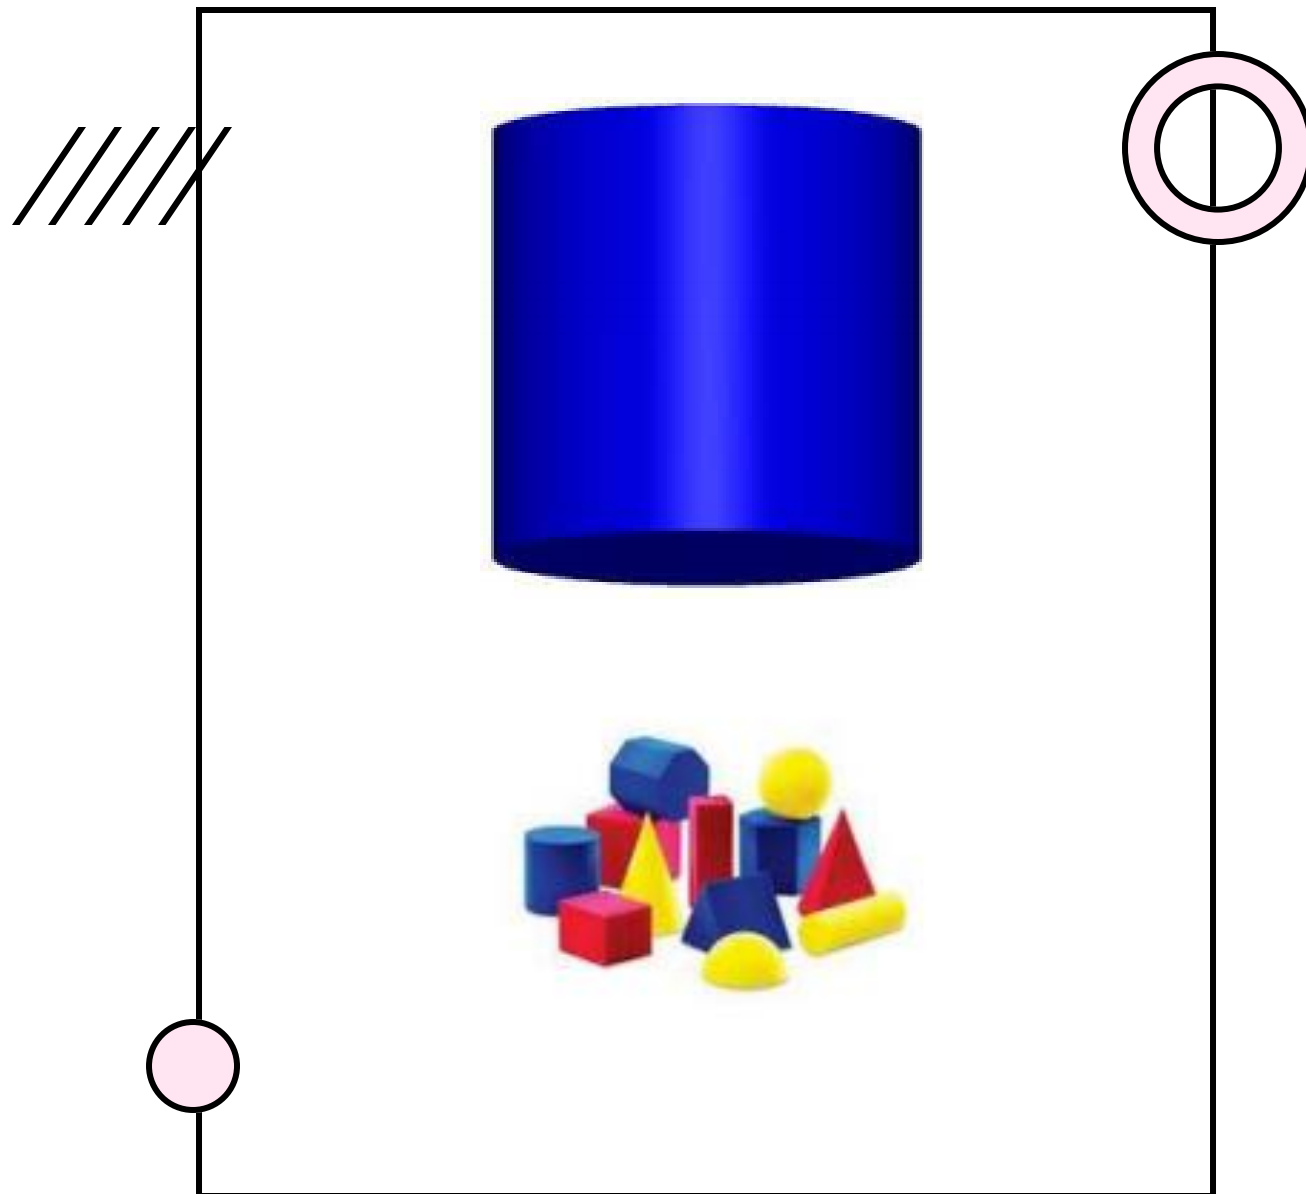

MAPPING SPACE AROUND US

Contents

- Faces, Edges and Vertices
- Prism and Pyramid
- Euler's Formula
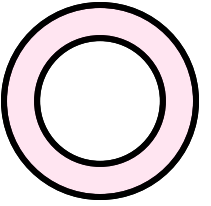

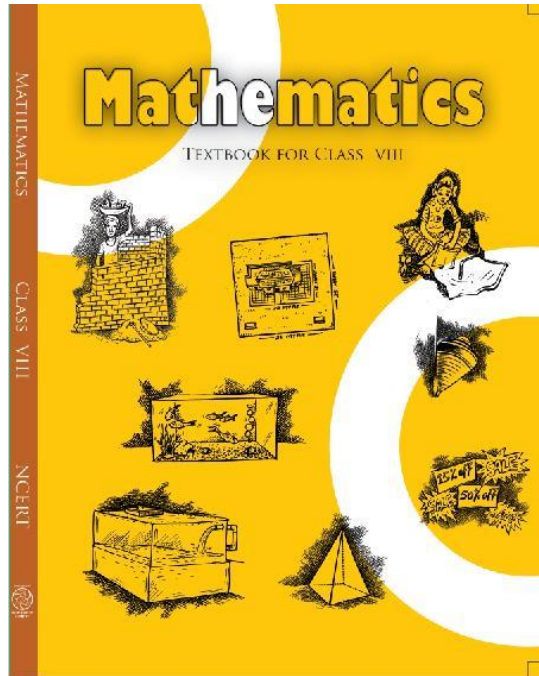

Faces, Edges and Vertices

Prism and Pyramid

Euler's Formula

$$F+V=E+2$$

$$F+V-E=2$$

RESOURCES USED

- 1. NCERT Book
- 2. NCERT Exemplar
- 3. Reference Books

Skills Generated

To draw and read the map for a given destination.

To understand the meaning of faces, vedges and vertices of a solid shape.

To apply Euler's formula.
