Sub: **Restriction on movement of employees and their family
Members due to COVID-19**

It has been observed that many residents are found moving/loitering in Anushaktinagar/Mandala area. It has also been reported that residents are going outside the Colony without any valid reasons on some or the other pretext.

As per Government of India/DAE orders, employees are expected to work from home if not called for duty. Further, the family members of the employees have to follow the restrictions on movement imposed by local authorities from time to time.

Unit Heads are therefore requested to advise their employees residing in DAE Quarters and their families not to venture out of their homes unless required/essential.
